TO BE QUEEN CORONATION M. C.—Low Colby of WCSH-TV will be master of ceremonies at the annual Queen Coronation on Saturday evening, April 4 at 8 o'clock. The event, sponsored by the Greater Bethel Chamber of Commerce will be presented at Bingham Auditorium, Gould Academy. Also featured will be Joe Roy, the singing mailman, and Rolfe "Bones" Glines.

MORE DEER KILLED BY DOGS THAN BY CARS IN FEBRUARY

Almost twice as many deer were killed in February by dogs and bobcats as by vehicles, the first time this season the motorized kill has been surpassed, according to the Maine Fish and Game Department. Warden reports, compiled by the Information and Education Division showed a total of 53 slain by predators—43 by dogs and 10 by bobcats. Only 31 were killed by motor vehicles.

Destroyed were 48 does — which means a possible loss of up to 96 fawns that might have been born this year; there were 43 bucks killed over the same period.

In the January report, of the 139 deer killed, motor vehicles accounted for 51 and dogs 46; in December, the total was 132 with autos taking 89 and dogs only seven. Going back to November, vehicles took a high of 163.

SCHOLARSHIP OFFERED BY DELTA KAPPA GAMMA

The Zeta Chapter of Delta Kappa Gamma at a recent meeting voted to award a \$200 scholarship to a worthy woman in need of funds to complete her professional education in the field of teaching or to a woman who wishes to return to this teaching profession.

The scholarship is available to women who reside in one of the areas in which Zeta Chapter has members. These areas include School Administrative Districts 17, 43, 44 and Rumford.

Applications may be obtained from any member of the Chapter or from Mrs. Wynona Y. Palmer, Crockett Ridge Road, Norway, Maine, and must be completed and to the hands of the committee by May 1, 1970.

The Delta Kappa Gamma Society is an international organization of

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The assessors will be in session on Wednesday, April 1, from 10 a. m. to 5 p. m. to receive lists of property.

We are making appointments for those who have a special problem and would like extra time with the assessors.

Veterans who have reached the age of 62 or are 100% disabled should have their exemption application in the Town Office on or before April 1. A widow, minor child or mother of a deceased veteran is also eligible for an exemption. Any veteran receiving compensation from the government is exempt from poll tax.

The chairman of the board of selectmen, Avery Angvine, and I were in Lewiston Wednesday night to the meeting of the Regional Planning Commission. The speaker was a member of the Maine Environmental Control Commission who, as one of his topics explained how the Commission establishes priorities for towns eligible to receive State and Federal funds for Sewage Disposal Systems. It would appear we will be in a good position to apply as soon as final plans are complete. These plans should be very nearly finished.

'UP WITH PEOPLE' EXPLODES AT TELSTAR

"Sing Out Boston" is Smash Hit in First Maine Appearance

Not since the Indian raid of 1781 has a group invaded Bethel with such excitement. These young singers literally tore into the hearts of the enthusiastic audience Saturday night at the Telstar Regional High School Auditorium.

Ranging in age from about 16 to 23, and coming from various colleges and high schools in the greater Boston area, they had the entire audience rocking, toe-tapping, singing and applauding through an entire 33 number program.

The national UP with People program was born as an offshoot of the Moral Re-armament program in 1965 an era of meaning and discovery. Their achievements were unprecedented. One cast grew rapidly into three. They spanned the globe playing to live audiences numbering a million each year, from Rome to Japan, from Quebec to Venezuela. Their boosters include Pope Paul VI, Kings, Queens, Royalty, Heads of State, and People throughout the world. By 1968 the list was fantastic. It had grown from one cast of 130 to over 350 casts with tens of thousands participating across America. And now in 1970, there are over 400 casts of which "Sing Out Boston" is one. These are leaders of tomorrow and don't let anyone say we're not in good hands.

It is not only American—it's global! It is linking up a generation worldwide. It is not just youth. It is a people. It's an attitude, not an age group. It is not simply a new form of entertainment though performed as a show. It is a new education for a new era. A fresh style of living. A new commitment.

It is a rebirth, a reversal of a trend, a dramatic turn across the traffic patterns of an age. Now if all that isn't true, how come there were about 200 Telstar area residents young and old, on the stage of the auditorium at about 10 p. m. Saturday night singing "UP WITH PEOPLE"?

Week end guests of Mr. and Mrs. Donald Angvine were Mr. and Mrs. Robert Carroll of Quincy, Mass.

CENSUS '70 QUESTIONNAIRES BEING DISTRIBUTED

Questionnaires for the 1970 Census of Population and Housing are being distributed by the Post Office beginning, Thursday, March 26, to all households in this area. District Manager Thomas S. Taylor has announced.

Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member and about the house in advance of the census taker's visit. It is urged that all residents fill out the forms and have them ready for the census takers when they start their rounds on April 1.

The form contains seven questions about every person in the household and 13 questions about the dwelling. The personal information asked for is: name, address, sex, color or race, month and year of birth, whether married or single, and relationship to head of the household. The information required about the dwelling is: number of rooms, cooking facilities, plumbing, if rented or owned.

Most of the questions are answered by filling in the proper tiny circle with a common lead pencil, making a tiny black dot which can be "read" by Census Bureau machines. Residents should read the instruction sheet which will come with the questionnaire before filling it out.

DIXFIELD MAN SEEKING NOMINATION FOR DISTRICT #5 SENATE SEAT

John K. Black, Sr., of Dixfield, has announced that he will seek the nomination for the State Senate from District #5, which includes the Bethel-Rumford areas.

John K. Black, Sr.

Black graduated from the Maine Maritime Academy in 1951 with a B. S. degree and was a commissioned officer in the U. S. Navy Reserve. He began employment with the Oxford Paper Company in 1960 and is currently employed there as a supervisor in the Maintenance Department.

Long active in Dixfield and Oxford County Republican affairs, he was a delegate to the Republican County Committee and a former Chairman of S. A. D. #21. He is now Chairman of the Dixfield Police Commission and a member of that town's Finance Committee. He has also been active with the Boy Scouts of America in various capacities, currently serving on the Commissioner's Staff for the Rangeley District of Pine Tree Council.

Black is married and has three children who attend Dixfield schools. He is a member of various Masonic orders including the Kora Shrine.

CONSERVATION SCHOOL PROGRAM TO START IN MAY

A new course has been added to the adult segment of the Maine Conservation School which opens in early May.

"Field Experience for Environmental Education," will be taught by Dean Bennett, coordinator of the Environmental Education Program in the Yarmouth public schools.

The school is sponsored by the state natural resources agencies, the University of Maine system, and the Conservation Education Foundation of Maine. Marshall T. Wiebe is the executive director of the school conducted at Bryant Pond. He is also Conservation Education Supervisor for the Fish and Game Department.

The school will begin with a five week program for junior and senior high school students. The adult sessions will follow with five courses being offered. This segment of the program is recommended to educators and others who desire to widen their knowledge of conservation and environmental education.

Taking part in the school program will be three school districts from Waldo County, MSAD 3, 34 and 56, Cony High School, Augusta, Skowhegan Junior High School and a statewide group sponsored by the Maine Federated Women's Clubs. Participants during this session will take part in field trips, lectures and discussions led by instructors from the Department of Inland Fisheries and Game, Soil Conservation Service, Department of Agriculture, U. S. Fish and Wildlife Service, Sea and Shore Fisheries Dept., Forestry Department and Parks and Recreation Commission.

The complete schedule is as follows: June 15-July 3, Conservation Education Workshop; July 6-July 24, Natural History of Inland Maine; July 6-July 24, Field Experience for Environmental Education; July 27-August 11, Basic Field Ecology; July 27-August 14, Field Course in Earth Sciences.

Complete information including registration forms may be obtained by writing Marshall T. Wiebe, Executive Director, Conservation Education Foundation, Room 600, State Office Building, Augusta, Maine 04330.

EASTER PROGRAM AT HAZARENE CHURCH

The Easter Program for the Nazarene Church will be held Sunday morning at 10:30. This will be the regular morning worship service.

The message of Easter will be presented in song and narration by the teen and adult choirs. The public is invited.

BUILDING COMES DOWN — A crew in charge of Bob Chadbourne started the final razing process of the former American Legion Home in Bethel this Thursday morning and by 11:30 it had reached the stage shown above. Much of the salvageable material had been removed from the structure during the past two weeks.

HEALTH COUNCIL TO SPONSOR SERIES OF CHILD HEALTH CONFERENCES

The Bethel Health and Service Council will sponsor three Pre-School Child Health Conferences to be held in the months of April, May and June at the West Parish Congregational Church, Bethel.

Pre-school children from Albany, Bethel, Gilead and Newry are invited to attend these conferences to be held from 9 to 11 a. m. on April 2, May 7, and June 4.

Physical examinations will be offered and immunizations for diphtheria, tetanus, whooping cough, poliomyelitis, measles, and smallpox.

Please bring records of any previous immunizations with you. Don't bring a sick child to a Child Health Conference; instead take the sick child to your physician.

For transportation call Rev. Thomas Caton at 824-2533 three days before the conference.

Loy S. Harrell, D. O., will be in attendance.

"MAINE TIMES" EDITOR SPEAKS AT CHAMBER MEETING

The editor of the "Maine Times", John Cole, gave an interesting and informative talk on the purposes of his paper at the March meeting of the Greater Bethel Chamber of Commerce at Telstar Regional High School on Tuesday evening.

Mr. Cole stated that the "Times" intent was to be provocative and to promote the development of the state with the least possible damage to its unique environment. With regard to the recent controversial article about Telstar Regional High School in the "Times", Mr. Cole said that he doubted if one newspaper article would influence opinion about the school's program if there did not already exist great differences in thought on the matter.

The next meeting of the Chamber of Commerce is scheduled for Tuesday, April 14, at the Sunday River Inn.

"There will be selectmen at the Town Office, Locke Mills, April 1st and 4th from 9 A. M. to 5 P. M. to receive information on property."

— Mrs. Violet Swain, Correspondent —

Help Needed for 4-H Groups—Mrs. Robert Hutchins, leader for the Junior and Senior 4-H Groups, is asking for help from some of the mothers. At the present there are groups in knitting, cooking and flowers. Mrs. Hutchins needs four to assist in Arts and Crafts and Sewing. Groups are set up when over five are interested. If you have a little time to spare why not give Mrs. Hutchins and her approximately 35 members a helping hand.

Ralph Sinson entered the Community Hospital on March 15. Mrs. Clarence (Margaret) Smith entered Community Hospital on March 17 and returned to her home March 19. Norman White returned to his home March 18.

Mr. and Mrs. Robert Hutchins spent last week end guests of her sister and brother-in-law, Mr. and Mrs. David Hutchins in Portland.

Registration Held at Elementary School March 17 — Pupils attending the sub-primary in September were registered on March 17. Various tests were given to those present. A large class will be entering including Adam Gammon, Chesley White, Doreen Hall, Mark Hutchins, Lisa McKelvey, Dennis Michael, Lisa Pilleda, Dora Morton, William J. MacDonagh, Pamela Morton, Coral Conrad, Gerald J. Dennis, Eric Wardwell, Denise Foster, Michael Parker, Kevin Gammon, Melinda Mills, Mary Powers, Stephanie Merrill, Eric Hutchins. Not registering on March 17 were Garth Conrad, Sharon Cox and one youngster whose parents plan to move before fall.

Mr. and Mrs. William Crocker, Jr., Livermore, were honored guests at a gathering of friends and relatives at the East Peru Grange Hall on March 17. The Crocker's received many lovely and useful gifts to be used when their new trailer arrives. Attending from East Andover were Mr. and Mrs. Everett Hutchins and Mrs. Everett Farrington.

Mrs. Banche Bennett, Buckfield, is visiting with her sister and brother in law, Mr. and Mrs. Frederic Greenow. Mrs. Greenow has been substituting for Mrs. McGuire who has been in Florida visiting with her mother.

Calvary Congregational News

On March 14 ten members of the Youth Group, accompanied by Rev. Nathaniel Pearson and David Powers, met with three other youth groups at the Dixfield High School Gymnasium for a Rally that lasted from 2:30 to 4:00. Other groups attended from Wayside Baptist, Livermore, West Peru Baptist and West Tanager Baptist.

The afternoon was spent in activities that concluded with an "All Star" game between the boys and pastors.

Supper was served at the West Peru Church followed by a panel discussion between the youth and some of the adult youth leaders. The topics discussed were: Is the Bible interesting? Is the Bible relevant? Is the Bible irrelevant?

On March 17 a special business meeting was held at the church. The purpose of this meeting was to evaluate the topics of business that the youth committee had discussed. The pledges for the past month have been most favorable.

Several Bible Schools and pastors have been contacted for possible candidates for the church. Candidates will start speaking in the near future.

Rev. Nathaniel Pearson, who helped form the Calvary Congregational Church in East Andover in October 1964, will preach his last sermon on April 12.

Following the business meeting the Pulpit Committee with Clarence Bailey as Chairman met. On his committee are Mrs. David (Edna) Fox, Mr. Robert McGrovey, Mrs. Eugene (Edna) Merrill, Mrs. Ralph (Margaret) Schanon, Mrs. Oscar (Loretta) Doherty and Mrs. Clarence (Mary) Bailey. Mrs. Sinson is Secretary of the committee.

The Andover Congregational Church School will hold their regular classes immediately following the Easter Breakfast on March 29. There are still many cases of measles in town.

Lt. Ted Michael was discharged from the Marine Corps on March 26 at Camp Lejeune, N. C., after 12 months of service. Part of this time was in Vietnam. On his way home he was in Vietnam. On his way home he was in Vietnam. On his way home he was in Vietnam.

At a recent meeting of the Oxford County Council of the Ameri-

can Legion, Girls State Delegates and alternates from Oxford County were drawn. The Andover delegate will be Christine Coolidge, and the alternate, Wendy Glover.

The Easter Egg hunt will begin Saturday at 9 a. m. for 6th grade youngsters and under that grade. They will gather in front of Mills Market.

Mr. and Mrs. Hartley Roberts, Topsheld, Mass., Mr. and Mrs. Merle Grindle, and two sons, Blue Hill; and Allison Merrill, Lebanon, N. H., were in town last week end, called here by the illness of Mrs. Waldo (Alice) Merrill.

Madge Hardwood Company has closed for several weeks.

Glen Sinson, who has been residing in Connecticut, is visiting with his parents, Mr. and Mrs. Ralph Sinson.

The Congregational Ladies Aid met at the C. E. B. on March 19. The group tackled a quilt and signed a card for Alice Merrill. It was noted that a former minister, Rev. George Graham, would be 87 on March 30. His address is 434 Jamaica Way, Houghton House, Boston, Mass. 02130. The March committee is scheduled for a Food Sale on March 21. The April 2 meeting will be at the C.E.B. with Mrs. Victor Akers and Mrs. Archer Poor Sr. as co-hostesses.

The March Flower Committee for the Congregational Church will be Mrs. Lester Farrington and Mrs. Joan Richardson.

The April Ladies Aid Committee will be Mrs. Frederic Greenow, Mrs. Sidney Graves, Mrs. Willard Howard and Mrs. Lester Farrington.

Mrs. Merle (Betty) Grindall, Blue Hill, has been visiting with her father, Waldo Merrill, this past week and going to the hospital to see her mother, who has been a patient there.

NOTICE—The Andover Selectmen have announced that the Board of Assessors will be in session at the Town Office on April 2 from 10:00 A. M. to 5:00 P. M. to receive lists of all properties, both personal and real, owned by you on the first day of April, 1970, subject to taxation under the laws of the State of Maine. If any person fails to take the list on the above date he will be barred from an appeal for abatement.

Veterans, or any other person, claiming tax exemption for the first time must notify the Assessors in writing before April 1, and must have proof of entitlement.

The Selectmen and Assessors are Harvey McGuire, Charles Cutting and Harold Falkenham.

Lt. Col. and Mrs. Stuart Birch and five children, ranging from eight to 17 years old, are now residing in Oakton, Va., after spending a tour

of duty of one and a half years in Germany. Lt. Col. Birch has been assigned to the Pentagon. Mrs. Birch is the daughter of Mr. and Mrs. Everett Dresser.

Mrs. Ralph Thurston and her daughter, Miss Ivy Thurston, have arrived at their home after spending the winter in Florida.

Mr. and Mrs. Wayne Kerchner who reside in New York City are vacationing in Mexico City.

On March 16, 111 Andover voters went to the polls for the highway bond issue. The results were: NO, 59; YES, 51, plus one vote not marked correctly.

Ralph Sinson underwent surgery at the Community Hospital on March 23.

There was a good attendance from Andover at the Rumford Point Congregational Church on March 22 to hear the Easter Cantata.

LEGION AUXILIARY

The Mundt-Allen Unit No. 81 met at the Casco Bank Community Room on Tuesday, March 24, for their regular meeting. Eleven members

and four officers were in attendance. Preceding the meeting Judith Angvine gave her report on her visit to France.

The meeting was opened with Lucia Smith presiding. The secretary and treasurer's reports were read and accepted.

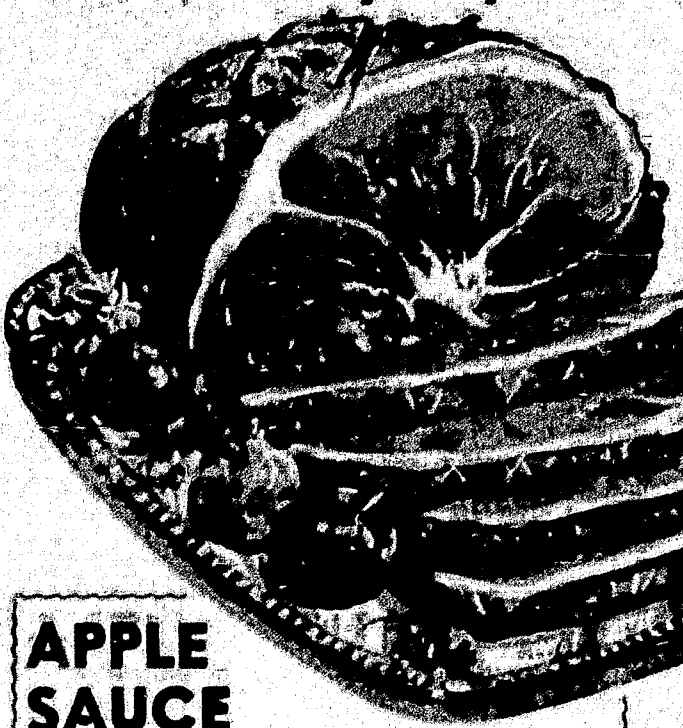

Donations to the Pine Tree Society and the Epilepsy Foundation were voted. Report on the Girl Scouts Banquet was given by Carolyn Brooks as was the County Council report which the Mundt-Allen Post and Unit No. 81 entertained on

March 17 at Teistar. An invitation to attend a reception at Dixfield for Second District Vice President Jennie Wing was received. The event will be held on April 18 at 7:30 p. m.

Girls State delegate and alternate were drawn. The April meeting will be held on the 28th.

SUNDAY RIVER

Mrs. R. M. Fleet, Corres.
Joe Roderick called on R. M. Fleet recently.

Robert Serafin of Rumbold was at his cottage over the week end. Mrs. Sandy Verrill and children and Mrs. Conley and boys of Concord, Mass., came Friday and went before Sunday afternoon.

Mr. and Mrs. Floyd Verrill of Concord, Mass., are here for the maple syrup season.

Our crows are back building their nest the last few days.

Our little chipmunks got out just a day before spring arrived as the temperature was 53 above and much of the snow turned to water but then on Saturday three and one half inches arrived to keep things white.

Partridge
In answer to questions that were asked last fall I'll give some brief answers as there are more reasons no doubt.

First the spring weather was not at all good for most young wild life too wet to find plenty of food and some young were drowned when the brooks came up over their banks. The flocks that did survive were small. One old hen only had two when she usually has had six or eight each year and feeds near the house so we see her every few days.

The next was that man with auto took a large toll around eight in one week between here and Bethel.

One day on our way to town we found a mother partridge trying to get one of her young out of the road so we stopped and found it was hurt and we helped to get it to safety. Then we went a short distance and found another mother and two of her flock crushed flat in the road. We took them out of the road. One of these I took home to examine and found it weighed less than a half an ounce. Farther on we came upon a male beside the road. Then out on route 2 was another useless male beside the road. There were others at different times in different places.

We did see one mother woodcock and her flock which is strange as usually they keep their flock back away from the road.

MAGALLOWAY

Mrs. Bessie Harvey, Corres.
The annual Plantation meeting was held at the Assessors office in the Town Hall on March 21 and opened at 9 a. m.

Mark Harvey was elected moderator; Bessie Harvey, town clerk; Herman Kenney, assessor; Carlene Hinkley, school committee; Elise Littlehale, treasurer; Phyllis Parsons, tax collector; Mark Harvey, road commissioner; Eugene Downer, constable; Herman Kenney, sexton; Larry Bragg, fire chief; Eric Cameron, assistant fire chief; Ethlyn Kenney, town hall janitor.

School purposes, \$5,000; Snow and ice removal, \$1,500; Plantation roads, \$500; Town hall expenses, \$2,000; Plantation expenses, \$1,000; Officers salaries, \$1,500; Insurance, \$300; Fire protection, \$500; Public health, \$10; State aid construction, 2 units; Pond Brook bridge and creens, \$300; Mental Health, \$25; Mosquito control, \$800; Dependent children, \$300; Colebrook Hospital fund to be taken from surplus, \$1,500; also voted for swimming lessons with Phyllis Parsons to look after them. The meeting closed at 10:45 and officers sworn in.

A daughter, Roberta Ann was born to Mrs. Linda Stanley at Portland on Friday, March 20. Linda is the daughter of Mr. and Mrs. Phillip Hinkley of Magalloway.

Mrs. Carlene Hart is ill at the Stewartstown hospital.

Sgt. Frederick Abbott of Lancaster with Linda and Lorella visited me Saturday. Mrs. Bertha West rode back to Milan with them to work in the Carboneau restaurant.

My youngest granddaughter, Mrs. Laurel Abbott Akers of Winslow was very badly injured Saturday in an automobile accident and is in the Thayer Hospital in Waterville. Besides other injuries her forehead and face had to have 74 stitches.

Mrs. Harriette Stranger of Berlin who was recently injured at the Wilderness in a skiing accident is home from the hospital but it will several months before she can get around much.

We had eight inches of wet snow Friday night and Saturday, and about four inches Sunday night. It does not seem much like spring.

Mrs. Helen Hart went to Bangor Tuesday for treatment for her back. Dr. Schulberg is her physician.

The snowmobiles are busier than ever now. A great many go up Diamond.

The Misses Mary and Margaret Grover left March 21 for a ski holiday in St. Anton, Austria. They left Bethel on the 9:30 p. m. flight to Paris, via Air France, then on to Zurich, arriving at 1 p. m., March 22. A chartered bus took them to St. Anton about two and a half hours away. They are staying at St. Jacob, a private ski chalet. St. Anton is one of the largest resorts in the Tyrolean Alps with 60 runs. From St. Anton it is possible to ski five areas, St. Anton, St. Christoph, Stubai, Lech, and Zurs. These resorts are linked by ski lifts, sit-in buses and a system of cable cars. The trip was coordinated by the Physical Education Department of Westbrook Junior College with the assistance of the Young Travel Service of Portland. The group will return April 4.

Recently Mr. and Mrs. Dwight Grover celebrated their 25th wedding anniversary. They were honored at a family dinner party at the Country Way Restaurant, South Paris.

Mrs. Lottie Warren still remains critically ill at the hospital in Rumbold.

Mrs. Phillis Chandler from Lovell and Mrs. Albert Nelson went to Rumbold Tuesday to attend an Avon Products party. Mrs. Nelson was the lucky winner of the gold watch and chain at the last meeting held in South Paris.

Mr. and Mrs. Don Demarest went to Farmington, Conn., over the week end where they visited with relatives and friends, returning Sunday evening.

although it is the first one needed by the school bus. Perhaps this is done as a challenge to me and the bus. At least, I've accepted it as such and happily so far, have been able to meet it successfully. Last Monday was the most difficult as the road had thawed enough to make it necessary to stay in the middle and I faced solid white through a blinding storm but by guess and by gorry and a 4-wheel drive we made it to the plowed highway. Many schools in the area were closed.

Earl Buck has been home this week due to illness among his crew. Roland and I went to Lewiston Tuesday on business.

Christian Science

The difference between material

thoughts and spiritual values are brought out in the Lesson Service on "Reality." To be read in all Christian Science churches this Sunday.

A Bible passage in the Responsive Reading is from Colossians: "The word had any man seen you through philosophy and vain deceit, after the

tradition of men, after the rudiments of the world, and not after Christ."

One of the selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of life, the control of soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle."

The public is welcome to attend services starting at 11 a. m. at First Church of Christ Scientist, Main and Tenet Streets, Berlin, N. H.

The Christian Science Radio Series "The Bible Speaks to You," is broadcast each Sunday over Station WMOU, Berlin, N. H., at 8:15 a. m. The theme for March 29 will be "What Does It Take to Forgive?"

A Christian Science Reading Room is now open in the business district in Berlin, N. H., at 134 Main St., from one to four every Tuesday, Thursday and Friday. The public is warmly invited to attend.

THE PROMISE OF EASTER

The Easter promise of resurrection is of much greater importance to mankind than the personal hope of life after death. Its celebration when spring renews the earth is of much deeper significance than the continuity of material life in man and nature.

If the meaning of Easter is linked only to a vague hereafter or to a cyclic resurgence of energy, its dynamic relevance to life here and now is lost in speculation, ritual and emphasis on sense impressions. Fasting and feasting represent the extreme of human reactions to man's consciousness of mortality.

But humanity's unending quest for immortality is one of the distinguishing aspects of great civilizations and of developing human thought. The pharaohs envisioned an afterlife replete with the artifacts of life as they knew it. Indian and Asian ages sought to escape successive rebirths through extinction of self-centered desires. Primitive states of society have constructed elaborate variations of a heaven or a hell.

Philosophers and scientists of the twentieth century have been probing the nature of "being" and "non-being" for the probability of immortality continues to be the ultimate challenge. Even though many may express indifference or profess agnosticism in regard to the continuity of individual life, the question of the survival of mankind in a nuclear age has led to a more profound search for universal salvation—or at least for the conditions men must create to rise above the threat of extinction.

What has preserved even the hope of salvation from fatal mistakes, from dissolution and death? Not the mythology of ancient civilizations, nor the pros and cons of modern science. Not even the creeds of religious organizations or the panaceas of political, economic or social systems, however idealistic they may be.

Traced to their common source, the highest hopes of all human efforts and institutions focus on an event which transcends history, physical science and human planning.

The Resurrection stands as the greatest event in the history of the world—not simply as the "greatest," but in fact the only event which includes the expectation, the example, the explanation, the way and the proof of immortality. Even to those who disbelieve it, who doubt it, who may never have even heard about it, the Resurrection is a promise awaiting only their own arising from the tombs of false and destructive beliefs.

The Resurrection cannot be "proved" except in the degree that we begin to pattern our living on the life of Christ Jesus, and are willing to commit ourselves to the denial of all that Jesus denied: the temptations of self-will, pride, lust, greed, material force, retaliation, and avenging.

Among those receiving variety letters in skiing at the winter sports banquet at the University of Maine, Orono, on March 21, were Andrew Buck, son of Mr. and Mrs. Raymond Buck and David Carter, son of Mr. and Mrs. Richard Carter.

CARD OF THANKS

Many thanks to my relatives and friends for your prayers, the lovely sunshine hat, and other gifts, the beautiful plants and flowers, and for the cheerful get well cards, also for your visits that help so much in brightening my days.

Thank you Dr. Harrell and Dr. Harellson. My thanks also to the fine staff of nurses at Stephens Memorial Hospital.

I deeply appreciate the loan of the hospital bed from the Bethel Health Council and thank those who took of their time and effort to get it to the home of my dear friend, Rosanna Doudman, where I am receiving excellent care.

May God bless you all.

ONE VIEW OF THE NEW DORMITORY

The above picture reproduced from elevation drawings depicts Davidson Hall, as it will appear from Winter Street. Excavation has started on the Gould campus for the structure, slated for completion in March of 1971. Barr & Barr, Inc. are supervising contractors.

On Sunday, March 15th, at Hastings Formal Lounge, Gorham State College, Paul Vachon, son of Mr. and Mrs. Edmond Vachon, Paradise Street, was formally installed as Chaplain of the Lambda Delta chapter of Tau Kappa Epsilon, the nation's largest social fraternity with over 275 chapters.

There have been a thousand Easters since the Man of Galilee Came to write the crowning news of history. But I never knew an Easter Like that glad first dawn could be—Till the Lord of all the Easters lived in met

There have been a thousand Easters With their glory breaking through; They have made a thousand hopes come true.

But you'll never know an Easter Like these first disciples knew Till the day the Lord of Easters comes to you!!!

Bethel Citizen

Who among us is not subject to error? A choice few perhaps, but that select group obviously does not include our self-appointed critic and mentor, Mr. Cymrot, Mr. Tebbels was very generous in pointing out only the most glaring fault in our summer citizen's critique. Two more mistakes are apparent to anyone who pretends to be familiar with English grammar and its correct usage.

It is a basic rule that every pronoun should agree with its antecedent in person and number; therefore, Mr. Cymrot was correct in saying that the pronoun he should have been used. Having gone thus far, he should have examined the sentence more carefully to determine the proper antecedent, which is *adult*, the subject of the sentence. Any is an adjective modifying adult, and adjectives are never the antecedents of pronouns.

Farther on in Mr. Cymrot's enlightening commentary we note the awkwardness. When a one syllable word, or a word of more than one syllable accented on the last syllable, ends in a single consonant (except x) preceded by a single vowel, double the consonant before adding an ending which begins with a vowel. Thus, we have *steadfastness*.

Should Mr. Cymrot desire further instruction in various phases of English grammar, I suggest that he enroll in an adult education program. Neither Mr. Tebbels nor we at Telstar feel inclined to dispense any more free lessons.

Unknown to many in the area, a new concept in education was introduced into the Lockes Mills Kindergarten during the school year 1969-1970. It has been continued again for the year 1970-1971. What is it all about? What will it accomplish?

The elementary officials of SAD #44 have agreed to a meeting for interested persons to be held March 31st, at 7:00 p. m. at the Lockes Mills school.

All parents whose children have completed the class, those who have children currently going, and parents whose children will be starting next year are urged to attend this meeting.

Let's find out what its advantages are and what its short-comings may be. Are our children going to be helped or hindered?

It is my understanding that the teachers with many years of experience will not teach this new method. I would like to see them present, that we might also hear their views.

I feel that only through a thorough discussion of what is being done, what has been accomplished, and what is hoped to be accomplished, can we come to a thorough understanding of this new concept.

Let's have a good turnout, a good discussion, and a clearer understanding of the whole situation.

Sincerely,
Arnold Jordan

APPEARING AT RUMFORD

The De Cormier Singers are an electrifying group, singing a program selected from the vast song repertoire of many nations and presented with all the verve and excitement of a theatrical entertainment. This group of 14 men and women vocalists, plus three instrumentalists will appear in Rumford, Monday, March 30, at 8:15 p. m. at the new Rumford High School Auditorium.

The DeCormier Singers made their bow in 1962 in New York City at a downtown showcase, and not even the longest blackout of the city's daily newspapers could stop the word from getting around. They were an "entertainment miracle," reported

Billboard, one of the bibles of show business.

The New York engagement was followed by a 50-city tour in the United States and Canada, and everywhere audiences outdid New Yorkers in their enthusiasm.

Last summer the De Cormier Singers performed during a 10-week engagement at New York's Radio City Music Hall and they have also been seen on national television. Their founder, Robert DeCormier, has gained wide fame through his work as conductor and arranger for Harry Belafonte and this group has appeared in concert with him.

DEN 2 CUB SCOUTS WRITE "WHY I LOVE AMERICA" COMPOSITIONS

At their March 11 Den meeting these compositions on the subject "Why I Love America" were written by the members of Den 2.

The United States is a good place to fish and play baseball games. And the swimming and the sun is a great place to get a sunburn. And the bicycle riding is the best. And in the winter I have a moto-ski and ski and skate and do our games. -Douglas Wilson.

I like America because it's fun to fish, swim and play baseball. America is beautiful and quiet. I like to ride snowmobiles and slide. It's fun to ride bikes and watch TV and roll in the leaves. I am a cub scout. America is free. -Mike Brown.

I like America because it is a free country. I like America because I like the lakes and rivers. I like America because we have good homes. I like America because I love the wildlife. I like America because we have good states. I like America because we have good sport. -Greg Lee.

I love America because it is a free country. We can go to school and church. We can have fun and ski, fish, hunt and swim. I like America because it has things to do. We have green grass in the summer, and in the winter we have snow so we can go sliding and ski. We go to cub scouts and play games. -Teddy Gallant.

I love America because I can fish in lakes. I can slide and skate on the ice. I can go to the church I want to. I love America because I can swim in ponds and lakes. I love America because I can play with my friends. I love America because I can ride my bicycle. -Mike Brooks.

I love America because I can fish any time I want to and it has green grass. I can go to any church I want to and you can slide any time you want to. And it is a good place to live. I love America. -Mark Kendall.

I like America because it has school and fishing and hunting and sliding and skiing and swimming and skating and church and TV and horse riding and skidooring and riding bicycles. They have Cub Scouts. I am glad they have stories and libraries and cars and football and trucks. -Stephen Cross.

CARD OF THANKS. The family of George L. TELSTAR'S JUNIOR REBELS GRAB FIRST WIN

Coach Morton's Telstar Junior High Rebels scored their first win ever, with a victory over a taller Poland team on Thursday, March 19.

With Poland ahead by 6-1 at the end of the first quarter, 7th grade reserve, Doug Brooks, went to work. With fine shooting and rebounding by Frank Howard, Bruce Douglass, and Brooks, Telstar had a half-time lead of 10-7. With a full-court press working in the third quarter and the ballhawking of Captain Gary Wight and Ray Juhl, the Rebels were on top after three quarters, 21-9. Doug Brakey got a hot hand in the final quarter for Poland, but could not catch up with the inspired Rebel.

The final score was 28-21. Scoring for Telstar were Brooks (9), Howard (8), Juhl (6), Douglass (2), Miller (1), and Wight (1).

In the B Team Preliminary Game, Telstar won another victory over Poland in a double-overtime thriller, 8-6. With 15 seconds left in the regulation game and Telstar down by two, Alan Sinson dropped in a jump shot from the foul line to send the game into overtime. With 20 seconds left in the second overtime, Earl Henley won the game with a two-pointer. Scoring for Telstar were Sinson (4) and Henley (4).

TELSTAR R. H. S. NEWS SOUTH BETHEL

ACTIVITIES

The activities sponsored by the Social Science Department have been somewhat reduced this year by budget limitations. We hope that in future years more educational opportunities will be made available to interested students.

The first event of the school year was a trip to the United Nations, arranged through the New Hampshire Council on World Affairs. Our students had an opportunity to see the U. N. in action, interview foreign students and diplomats, and see the sights of New York. The group returned to Telstar impressed, excited and extremely tired!

The Public Issues class traveled to Augusta to tour the State Police facilities there in conjunction with their study of "Crime in Maine". While visiting, they interviewed ranking officials of the Maine State Police.

During the annual rush and confusion of income tax season, the department joined with members of the Business Department in offering a voluntary, non-credit, "mini-course" in State and Federal Income Tax preparation.

In February, most of the Social Science students participated in the annual Current Affairs Test sponsored through the cooperation of "Time" magazine.

A currently planned event of the Social Science Department involves a visual presentation on the Oil Industry and its possible effects on Maine. Pollution and Environmental Control will be the major theme of this program.

Mr. R. H. McCann, acting chairman, and other members of the department wish to thank those people of the communities whose cooperation and help have made these activities possible.

STUDENT COUNCIL NOTES

The Girls' Athletic Association is one of the newest additions at Telstar. The club was organized under the direction of Mrs. Hanson in October 1969. All girls interested in forming such an organization were invited to help plan the formation of G. A. A. An executive board of volunteers decided that each class should have a representative as well as four main officers.

Elections were held in October. The following were chosen as officers: President, Donna Rosenberg; Vice President, Karen Jordan; Secretary, Nancy Bailey; and Treasurer, June Bailey. Class representatives include Paul Savage, Sheri Learned, Kristin Wiese, Joan Deegan, Wendy Glover, and Lillian Cross.

The major objectives of the organization are to promote school spirit, and to organize such activities that will promote achievement, leadership, fellowship, responsibility and sportsmanship.

The club has been quite active since October trying to achieve the goals above. They have sponsored a dance, had several fudge sales, and have brought the Telstar shirt to the backstore. Future plans are to organize intramural activity, hold clinics, send girls to hockey and basketball camps, and perhaps to sponsor a scholarship.

GUIDANCE NEWS

College-bound junior who did not take the March Scholastic Aptitude Test should register for the May SAT. Students will find they will be able to make more realistic final college choices when College Board test results are available.

The basketball team that Osman Palmer is on at Telstar, won both games last Thursday.

Mrs. Elsie Hinkley visited her daughter, Mrs. Elvira Abbott and family at West Paris, Sunday.

Kenneth Bacheider returned home Saturday after being a patient at the Stephens Memorial Hospital at Norway for a few days.

Mrs. Elsie Hinkley was at the doctor's last Thursday to have a wart removed from under her eye. She has to go back this Thursday to have the stitches out.

Mr. and Mrs. Warren Sessions and girls and Elsie Hinkley were in Berlin, shopping Saturday afternoon.

Jeanne and Fern Bacheider spent the evening with their aunt, Elizabeth Bailey, last Tuesday.

Mr. and Mrs. Kenneth Mason, Peter and Kenneth Jr. were guests of Elizabeth Bailey, Saturday.

Mr. and Mrs. Delbert Mason and Lisa, Bryant Pond, were supper guests of her mother, Saturday night.

Reginald Bailey is sick with the prevailing flu that is going around. Delight Bailey spent Saturday night with Kenneth Mason Jr. in East Bethel.

Alvin Gross spent Saturday night with Osman Palmer.

Elizabeth Bailey and children were in Norway Wednesday afternoon.

Mr. and Mrs. Herman Palmer and family were in Rumford Friday night.

Elizabeth Bailey and children spent the evening recently with Mr. and Mrs. Kenneth Mason, East Bethel.

The test date. Most candidates for four year degree programs are required to take three Achievement Tests. High school juniors are encouraged to take achievement tests for the valuable preliminary testing experience. It is especially important for juniors to take achievement tests in subjects they do not plan to continue their senior year, such as a foreign language or mathematics sequence. One year subjects, such as physics or chemistry, may also be taken, since a major portion of the material will be covered in May. Any junior considering early decision at a college must take his tests in May or July.

The deadline for May registration without the \$3.00 penalty fee is April 1st. The fee for any one, two, or three Achievement Tests taken on one date, is \$3.50.

Lee Ann Gilbert, Roberta Jean Gilbert and Thomas Kent Remington have been accepted at Arrostook State College; Thomas Remington has also been accepted at Farmington State College.

The University of Notre Dame in Notre Dame, Indiana, has accepted Terry Scott Swan, and Brian Kirk Wentworth has been accepted at Northeastern University in Boston.

On Feb. 9 a P. A. C. meeting was held at Gary Savage's. Those present were Ruth Leino, Edith Garey, Valeria Cox, Theresa Kennison, Gary and Sandra Savage, Robert Reny. A funny thing happened to Edith Garey on her way to the meeting, she ran out of gas but made the meeting a little late.

On Feb. 17, the children had shots by Dr. Harrell.

On Feb. 18, a coffee was held at Theresa Kennison's. Present were Judy Bean, Edith Garey, Valeria Cox, Sandra Savage and Theresa Kennison.

On Feb. 20, there was a pot luck supper at the School. Those present were: Mrs. Edith Garey, Debbie and Tammy, David and Dennis Garey, Mr. and Mrs. Merle Cox, Mr. and Mrs. Kenneth Kennison, Mr. and Mrs. Robert Osgood, Kand and Katrina Roberts, Mrs. Ruth Leino, Mrs. Mary Paine, Mr. and Mrs. John Cox Jr., Mrs. Robert LaMontagne, Miss Sheila and Madeline Buck, Leroy Buck, Elaine and David LaMontagne, Mrs. Ava Smith, Mr. and Mrs. Gary Savage, Mrs. Judy Bean, Miss Tracy Poland, and the speaker, Gerald L. Wagner.

After a nice supper the men did the dishes, Robert Osgood had to leave because of a fire in Locke Mills. Gerald Wagner gave his talk. Our next meeting is March 18 at the school.

Well all the lucky mothers had their children home for a week's vacation. A coffee was planned for March 4 at Judy Bean's.

I have news from Val on her trip to Washington.

Our trip to Washington: We left Norway Sunday morning the 14th of December. Ruth Leino and I drove to Boston, Mass., where we took a plane to Washington, D. C.

We arrived in Washington at 2:05 p. m. and went to the Sheraton Park Hotel where we stayed.

There was a meeting Sunday night and the speaker was James Farmer. Monday we divided into groups. Tuesday we went touring. We went through the White House, Capitol Building, up Washington Monument and the Building of Rights.

Wednesday afternoon we went to the Capitol to meet Ed Muskie, Margaret Chase Smith and Peter Kyros. We got passes to visit the U. S. House of Representatives and the U. S. Senate Chambers. We ate in a German, Chinese and Mexican restaurant. We had a very good trip and learned a lot from it. There were over 14 hundred people at the conference and out of these there were 32 from Maine.

We left Washington on the plane at 8:55 and arrived in Massachusetts at 10:15 on December 18. We stayed in Massachusetts overnight and came home in the afternoon on Friday the 19th. — Your chairman, Valeria Cox.

I hope you will all enjoy the newsletter as it is hard to get very much. Mrs. Edith Garey has got hot water after 13 years without it.

Edith Garey's cousin's little boy got burned and is in the hospital. His name is James Merrill. He is 6 years old. Here is the news from Mary on what they have done in the

class room. They made clothes pin dolls and dressed them one day. Mrs. Bigelow brought us real modeling clay, made different objects, when dry, we painted them. Mrs. Swain helped make chocolate milk shake and spinning top.

We have been visited by a consultant, Gerald Wagner from Volt Technical Inc.

We have flying saucers which we use on the side hill. We painted some of our furniture in the classroom. It makes our room brighter. — Your teacher, Mary Paine.

I also have news from Judy Bean: This is my third week as C. A. P. Worker. So far everything is going smoothly. My first coffee was at Theresa Kennison's. I have visited most everyone at this time, and will continue seeing each parent at least once a month. We have a lot planned for the remainder of the year, so you will be hearing from me again. — Sincerely, your C. A. P. Worker, Judy Bean.

Also news from our Head Start Director, Ruth Leino.

The Head State Directors have formed an association. The first to be organized in the State of Maine. Co-Chairmen are Lionel Mayrand of York County and Philip Butterfield of Prop in Portland. Mrs. Lisa Logan is the secretary. We hope through these meetings to get the feedback from the Various Centers throughout Maine. We meet once a month in different counties. — Your Head Start Director, Ruth Leino.

Here is a bit of news from Pearl Cox, Teacher Aide: Spring is in the air, the children have gone from sleds to swings and slides. We have been making Easter baskets out of Jug and felt. Our room is done in Easter bunnies. I enjoy the children. We could use extra help Thursdays as volunteers. — Teachers Aide, Pearl Cox.

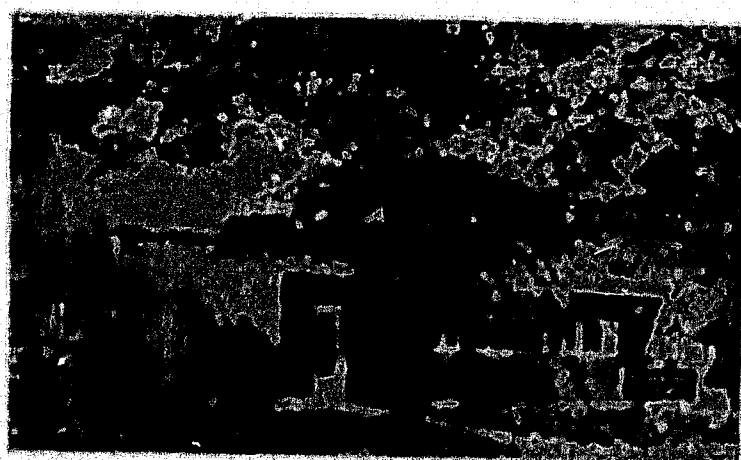

Those present at the coffee on Wednesday, March 4, were Edith Garey, Val Cox, Carol Cox, Pearl Cox, Mrs. Ruth Leino, Abbie Bus-

FORESTRY MEETINGS BEING HELD IN BETHEL — The first in a series of four meetings of a Forestry Workshop was held Tuesday, March 10, at the Telstar Regional High School in Bethel. It was attended by about 75 people interested in woodland conservation. The Workshop is being sponsored by the Management Division of the Maine Forestry Department and the Oxford County Extension Service.

Several new Tree Farm members were dedicated at the meeting. The new members have been practicing forestry for over three years on their woodlands. The Maine Tree Farm Program is promoted by the American Forest Institute. Presently there are over 800 tree farm members with more than two million acres under management in Maine.

Shown above are left to right, Abbott Ladd, Maine Tree Farm Committee; new tree farmers Charles W. Hersey D. V. M., Rumford Center; H. R. Bean M. D., South Paris; and J. Tribou, Dixfield; and State Service Forester Richard Morse of Hebron.

CARD OF THANKS

Many thanks to the Bethel Fire Department for the fast and efficient service in handling our recent chimney fire.

Herman and Carla Bennett

GREENWOOD CITY

— Mrs. Colista Morgan, Corres. —

Today, March 21st, is one of those miserable spring days with the trees bent low and breaking under loads of snow.

Our power was off for three hours and it was strangely quiet except for the bop, bop, roar of the snow as it fell from the trees to the roof.

What a change from other days this week when the sky was a clear sparkling blue, a friendly sun shone out, new birds arrived, I picked my first pussy willows and saw my first Easter bunny in the swamp. He skipped wildly, scampered to find a new hiding place away from the birch on which I sat. He did, for I saw him no more. These days were so perfect one became lost in what was going on around him.

At night the moon slipped sneaky like up over the trees, the stars were bright, and in the hush the distant noises seemed out of place, intruders, spoiling so lovely a night. Thus Nature's Canvas portrays vivid pictures so changeable that no artist can duplicate them.

With every spring comes Easter. Both are a time of hope and faith. There will be the scent of Easter lilies in the air.

"On Easter the bells in the Steeple greet the spring morning, and the white bells of the lilies lift their soundless music of praise and beauty. But the sweetest bells of all are those that ring in the heart."

Esther York Burkholder Then there is the Easter egg which since the earliest times has had a special significance. To the pagan it was a symbol of spring; to the Christian it was a symbol of the Resurrection. From that time on the faithful decorated them, had them blessed, and used them for their Easter feast. In the middle ages elaborately decorated eggs were traditionally given as gifts to servants.

On Easter Day, King Edward I. of England distributed eggs dyed or covered with gold leaf, to members of his royal household.

The Slavic people used exquisite designs on eggs and each had a special meaning. The sun represented good fortune; a rooster or hen fulfilled wishes; a stag or deer, good health, and flowers, charity and love.

In the churches, throughout the land choirs will be chanting the familiar words of the Easter hymns.

"The day of resurrection, Earth tells it out abroad, The Passover of gladness, The Passover of God." These hours of Easter bring hope, faith, courage, and new strength to those who believe that the earliest song that thrilled the silence of the first Easter Day still goes on.

Mr. and Mrs. Clyde Morgan were Sunday callers at Mr. and Mrs. Carroll Nottage's, South Paris.

CENTRAL MAINE POWER COMPANY
NORWAY DISTRICT

TO THE PEOPLE OF
SAD 41 COMMUNITIES

You may know that S. A. D. 41 is in the process of developing a drug abuse council. One of their goals being to acquaint the people with the drug problem in our communities. In becoming aware that this does exist, we become painfully aware of just how little we know of the drugs that have already appeared in our midst.

We shall endeavor, in subsequent issues of this paper, to explain the nature of some of these drugs. Only by realizing how easy it is to obtain dope, and how many different kinds we have in our own homes, can we hope to shed light on this situation.

Many of you feel that there could not possibly be a severe problem here. The thought that it will never happen has lulled us all into a false sense of security. It has become more and more apparent that our awakening will be abrupt and appalling. The child of yesterday is tomorrow's adult. We, as today's adults have an obligation to these children. We must become aware of the problems that face them now, in order that the problems facing them in the future do not become insurmountable.

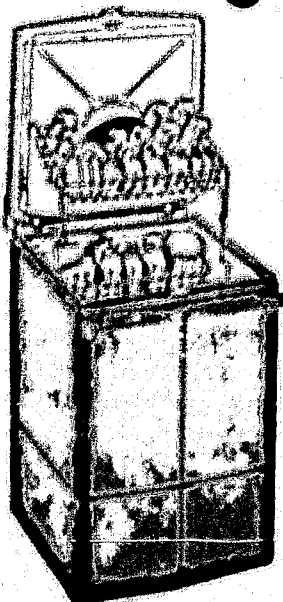

Before we can hope to educate our children on the subject of drugs and their total effect, we must somehow, educate ourselves. We have at hand, people who have had to deal with this thing at first hand. They admit that they are not experts, but their knowledge far outshines our own. They have given of their time and their knowledge, to start us on this program. They have willingly offered to see us on the way to our own education.

We will gladly answer any questions you may wish to ask. If we don't have the answer ourselves, we will get it from other places. We ask that you take an active part in this program. Talk with your neighbors, get their opinions and pass them on to the members of the council.

The present members from Bethel are Ronald Kendall and Maurice Roy Fred Bark and Mrs. Jane Young are the representatives from Newry. Mrs. Sylvia Dunham is the member from Greenwood. Rev. J. Charles Wellman and Mrs. Linda Persival are the members from Andover. Any of these people will be pleased to discuss the matter with you. These are our children, let's help them all we can.

AGING OF MAINE LAKES TO BE
DISCUSSED AT U. OF M.
OPEN HOUSE SEMINAR, MAR. 28

Remedies for a problem which is aging many of Maine's lakes far ahead of their time will be discussed at a University of Maine Open House seminar in Orono on algae pollution in Maine lakes, its causes, effect and possible cures, Monday, March 30.

The all-day meeting, which will begin at 8:30 a. m. in 110 Little Hall, is designed to alert town and regional planners, property owners, and other public officials to the scope of the problem in Maine.

Dr. Millard Hall of the civil engineering department and one of the speakers for the seminar said that many Maine lakes used for water supply purposes are seriously affected by this type of pollution as well as more remote lakes which are used for recreation.

The accelerated fertilization of these waters by plant nutrients present in wastewaters from the home, agriculture and industry has led, in several cases, to the development of extremely heavy growths of algae and other aquatic plants which lower the quality of the water and makes it less fit for many purposes, including drinking and recreation. This threat to the state's waters is considered by some authorities to be the most serious yet encountered.

Lectures and discussions will be conducted by Dr. Franklin Woodard, Dr. Ollis J. Sprout, Dr. Mrganika Ghosh and Hall, all of the U. M.'s civil engineering department. The program will include an introduction to the lake fertilization process, sources of algal nutrients, scope of

PLEASE DON'T EAT
STRANGE LEAVES

Many plants and seeds can be very harmful if chewed or swallowed. Children especially are prone to this danger and should be cautioned to avoid them. Castor beans, poinsettia leaves, mistletoe, daffodils, hyacinth and narcissus are particularly dangerous. Some of them will cause vomiting and diarrhea and all of them have been known to be fatal.

If you suspect that someone has chewed or has swallowed a potentially harmful leaf or seed, get them to a physician without delay. Time is of great importance to avoid a possible tragedy.

HIGHWAY NIGHT PATROL
ENDS SIXTEENTH SEASON

The State Highway Commission discontinues its seasonal winter patrol and special radio coverage at 8:00 a. m. Friday, March 27.

However, the patrols will be maintained until April 10 on Interstate 95 and heavily-traveled portions of other major highways if their operation is considered necessary by SHC engineers.

Plows and sanding equipment will not be dismantled for another several weeks. If there should be an accumulation of snow from a spring storm, Highway Commission supervisors and foremen will call out plowing crews to clear the highways.

The winter patrol began their duties on November 22 carrying out a nightly tour of 2000 miles of Maine highways, including 217 miles of Interstate highway. Their major responsibility was to alert the plowing and sanding crews when a storm began to move into the state. Patrolmen carried enough sand in their trucks to cover short icy sections of road in dangerous locations. The
